Thank you for coming to the PACE end of term review & performance opportunity "The Life of a Dancer"! On this 20th anniversary we are each thankful & blessed to share our love of dance with children in our community for two decades. Each year at recital we get to show a glimpse of the development & progression of your dancer. We believe dance class & performance opportunities can build confidence & determination for years to come. We work to build every student up to their highest ability of technique providing a solid dance foundation & becoming a positive influence in their lives. PACE is more than just great dancing!
